**EXPOSING 5 Secret Websites that Pays you everyday within 24 Hours.**

# Secret Website #1

**FOAP** - is a unique platform that allows users to sell their photos and videos for a flat rate of \$10 per item.

What is Foap?

Foap is a mobile marketplace that connects photographers and videographers with brands and agencies looking for user-generated content.

Users can upload their photos and videos to the platform, and if they meet Foap's quality standards, they can be sold to clients for \$10 each.

HERE ARE A FEW REASONS WHY YOU SHOULD CONSIDER FOAP.

1. Easy to use: Foap has a user-friendly interface, making it easy for newbies to navigate and upload their content.
2. Low barrier to entry: Anyone with a smartphone can start selling their photos and videos on Foap, regardless of their photography experience.
3. Passive income: Once uploaded, photos and videos can be sold multiple times, generating passive income for the user.

4. Opportunity to build a portfolio: Foap allows newbies to showcase their work and build a portfolio, which can lead to more opportunities and clients.

5. Flexibility: Users can upload content on their own schedule, making it a flexible way to earn money.

However, FOAP makes use of PayPal to receive payments and Nigerians have restrictions on PayPal,

Also, you have to be aware that using FOAP you are competing with global professionals so it might take some time to get a hang of it.

Well, this isn't bad news. If this doesn't work for you, maybe the next will.

## **Secret Website #2**

### **SproutGigs:**

What is SproutGigs?

SproutGigs is a freelance platform that connects entrepreneurs, small business owners, and marketers with skilled workers who can help them complete various tasks and projects.

Key Features:

- Variety of gigs (tasks) in categories like digital marketing, content creation, virtual assistance, and more
- Flexible work opportunities for freelancers
- Opportunity for clients to find affordable and skilled talent
- User-friendly platform with a rating and review system

How can SproutGigs help newbies make money?

1. Easy access to freelance work: Newbies can quickly find and apply for gigs that match their skills.

2. Flexibility: Choose when and how much you want to work.

3. Opportunity to build a portfolio: Complete gigs and build a reputation to attract more clients.

4. Potential for high earnings: Experienced freelancers can earn up to \$1,000 or more per month.

5. Skill development: Gain experience and develop new skills by working on diverse projects.

Sprout Gigs is a very less competitive platform for freelancers meaning you stand a greater chance of getting gigs here than many other platforms.

However, you must be a skilled professional with experience or at least a good portfolio to show you can be trusted with Projects.

Up next, we have...

## **Secret Website #3**

### **Clickworker**

What is Clickworker?

Clickworker is a crowdsourcing platform that connects businesses and entrepreneurs with a network of freelance workers who complete small tasks, known as "microjobs" or "clickjobs".

#### **Key Features:**

- Variety of tasks in categories like data entry, content creation, transcription, and more
- Flexible work opportunities for freelancers
- Opportunity for clients to find affordable and skilled talent
- User-friendly platform with a rating and review system

Now, freelancing on Clickworker will require you handling PayPal issues and time zone also,

Because you might have Clients who work in a different timezone and that might be one little issue.

# Secret Website #4

## Jobboard.

What is Jobboard ?

Jobboard is a job search engine that collects job listings from multiple sources, including company websites, job boards, and staffing agencies.

Key Features:

- Comprehensive job search engine
- Aggregates job listings from various sources
- Allows job seekers to search and apply for jobs
- Offers resources for job seekers, such as resume building and interview tips

So basically when it comes to Jobboard, based on your qualification and Skill Set , you search for job that adequately fits you.

And this isn't related to just Europeans, even as an African if you have the right skills, this could be a good fit for you.

Now, we've listed 4 Websites that could earn you good money on the internet.

You could go on to start with these and make good money.

However...

If you go this route, you'll have to Firstly deal with payments issues i.e receiving money from abroad as some of these agencies like to Pay directly to PayPal.

Another issue you could face is timezones, clients might expect you to deliver in their timezone which might be difficult as it's a different time from yours.

And if you get stuck, you might have to figure out things on your own.

But the next Website we are about to show you changes this...

- You don't have to bother about PayPal Money issues as you earn in Pounds and can withdraw to your local currency anywhere in Africa.

- You also don't have to bother about time zones because you choose your own working hours.
- Another advantage is you are guided meaning there's someone to hold your hand and assist you as you walk through this journey.
